This must belong to a contractor. Is there a company name on the sign?

Dear Jeannie:

What should I do with this abandoned piece of property? It has a hitch and technically its an unhitch trailer

Dear Jeannie:

I have attached a photo of an abandoned Traffic Mitigation Solar Sign which as been sitting in the alleyway in I started in October. Do you recognize it as City Property? There are no indication that it belongs to the City of Los Angeles - however I would like to request it to be relocated back to where it belongs. Not sure if it is DOT or who? Perhaps you can direct me to the correct department.

Thank you
